

# HELP DR.BETA ON HIS QUEST TO DETECT T1D

**Decorate and color Dr. Beta, cut him out, take him on an adventure and be sure to document it.**

After your adventure, pass Dr. Beta along to a friend or family member and encourage them to continue the quest by documenting their adventures too. To ensure Dr. Beta always carries these instructions, and so the next person knows what to do, please glue them to the back.

If you would like to be featured on the DETECT T1D website, email your photos to
